

- That the FCC should not implement  
any proposal that would lessen  
Indiana's Telephone Privacy law  
protections.
- How Indiana's Telephone Privacy law  
has improved your time at home.
- How effective Indiana's law has been  
(e.g., "I used to receive 12 calls per  
week, now I only receive one").
- Any of your personal views about  
the importance of Indiana's law.
